### 1. PURPOSE:

This 2014-2021 accessibility plan outlines the policies and actions that **Western Union Financial Services (“WUFS”)** will put in place to improve opportunities for people with disabilities.

### 2. PLAN SCOPE:

This Plan applies to WUFS operations in Ontario, Canada, and to employees, contractors and agents of WUFS operations in Ontario and others as required by legislation.

### 3. PLAN STATEMENT:

WUFS is committed to treating all people in a way that allows them to maintain their dignity and independence. We believe in integration and equal opportunity. We are committed to meeting the needs of people with disabilities in a timely manner, and will do so by preventing and removing barriers to accessibility and meeting accessibility requirements under the Accessibility for Ontarians with Disabilities Act, 2005 (AODA).

#### **Accessible Emergency Information**

WUFS is committed to providing its customers with publicly available emergency information in an accessible way upon request. We will also provide employees with disabilities with individualized emergency response information when necessary in accordance with AODA.

#### **Training**

WUFS has provided training to employees, volunteers and other staff members (including those individuals who participate in developing our policies) on Ontario’s accessibility laws and on the Human Rights Code as it relates to people with disabilities, and will continue to do so in respect of any new employees, volunteers or staff members. Training will be provided in a way that best suits the duties of employees, volunteers and other staff members. WUFS will periodically review its current training programs to determine if any modifications

are required to ensure employees are provided with the training needed to meet Ontario's accessible laws.

## **Information and communications**

WUFS is committed to meeting the communication needs of people with disabilities. We will consult with people with disabilities to determine their information and communication needs and provide accommodations (including accessible formats and communication supports) upon request. WUFS will review its existing websites and content to develop a plan to conform those sites and content with WCAG 2.0, Level A where required. WUFS will also develop a plan to make all of its websites and content conform with WCAG 2.0, Level AA by January 1, 2021.

## **Employment**

WUFS is committed to fair and accessible employment practices. We have reviewed our recruitment and assessment processes, process for developing individual accommodation plans and return-to-work policies to ensure that they are compliant with AODA, and will continue to consider accessibility matters in respect of the revision or creation of any such processes or plans.

We have reviewed our performance management, career development and redeployment processes to ensure the accessibility needs of employees with disabilities are taken into account.

In the event of a service disruption, we will notify the public of the service disruption and alternatives available as appropriate in the circumstances.

## **Design of Public Spaces**

WUFS will meet accessibility laws when building or making major changes to public spaces.

WUFS will put procedures in place to prevent service disruptions to the accessible parts of our public spaces, and to address maintenance issues.

## **Feedback process**

Individuals who wish to provide feedback on accessibility matters can email [aodafeedbackwubs@westernunion.com](mailto:aodafeedbackwubs@westernunion.com) or call 1-877-577-9746.

All feedback, including complaints, will be reviewed internally and addressed as appropriate in the circumstances. WUFS will make reasonable efforts to respond to customers within seven (7) business days from the date in which the feedback was received, if appropriate in the circumstances. Individuals may request

information or documentation in accessible formats or with communication supports as part of the feedback process.

WUFS has review its other existing feedback processes to confirm that such processes are accessible to people with disabilities with accommodations, upon request.
